## **CHICO CAR FREE DAY OCT 6** **A Day to Play in the Streets**

CHICO—The Butte Environmental Council is inviting the Chico Community to participate in Chico Car Free Day on Sunday, October 6, 2013, from 1pm-5pm, in downtown Chico. During Car Free Day multiple streets, behind City Hall, will be closed to automobile traffic to open up space for educational and fun-filled activities.

What would Chico be like with fewer cars on the street? The idea behind Car Free Day is to reconsider urban transport with the prospect of sharing streets more efficiently. This day is an opportunity for us to take personal, positive and constructive measures to reduce greenhouse gases in our community as well as enjoy the company of our friends in a quiet stroll along the tree-lined streets of downtown Chico.

During Car Free Day, BEC will provide a safe and secure area to come and “play in the street.” The event center is on Flume Street between 4th Street and 7th Street. 4th Street will remain open to traffic, as will 7th Street.
