Chico, Ca November 14th – The LAND AIR WATER benefit concert series' third and final show concludes at the Chico Women's Club on November 14th featuring Funk and Jam group The Bumptet. The Bumptet's music runs the musical gamete, moving from deep funk grooves to epic rock crescendos in to high energy, improvised jams with jazz caliber execution.

Opening up the night will be local music collective Jiving Board with funky horns, rock guitar, and jazz/hip-hop vocals. Plus special guess Brian Rogers will join in the music with an acoustic set. Be sure to join us November 14th at the Chico Women's Club for a night of funky music to make you move.

The ***Land Air Water*** concert series is a benefit to support the Butte Environmental Council's ongoing advocacy efforts to protect the land, air and water of Butte County and the surrounding region. Tickets Available at Chico Natural Foods, Empire Coffee and online at www.becnet.org.
