BEC was founded to be an advocate for the land, air, and water of Butte County. To continue in our fight to protect our environment we need your support. The fate of Butte County's diverse ecology is in the hands of our future generations. BEC hopes to inspire the young people of our community through educational adventures (BEC Ed-Ventures) and events. These events are made possible because of donations from those who want to see a better future for the younger generation. Join BEC April 8th at the Sprout n' Shout fundraiser dinner to help BEC continue the fight to save our environment!
